

POINT ROBERTS WATER DISTRICT NO. 4

RESOLUTION NO. 556

A Resolution of the Board of Commissioners ordering
Cross Connection Control

WHEREAS, it is the Point Roberts Water District No. 4's responsibility to provide the customer that meets State water quality standards with water, and be responsible for preventing the contamination of the public water supply and system.

WHEREAS, cross connections within the customer's plumbing system pose a potential source for the contamination of the public water supply system.

NOW THEREFORE, BE IT RESOLVED THAT the Point Roberts Water District No. 4 establishes the following service policy to protect the water supply system from the risk of contamination. For public health and safety, this policy shall apply equally to all new and existing customers.

ADOPTED by the Board of Commissioners of Point Roberts Water District No. 4, Whatcom County, Washington, at a Regularly Scheduled Meeting on the 14th day of August, 2002.
